

Fund for Asian American Studies

"We're building the future. I'm glad I'm a part of it."

- a Chinese student

In 1992, the University established a Fund for Asian American Studies to enable community members to support our efforts more fully. Contributions to the Fund help support continued development of Asian American studies courses as well as the purchase of Asian American books, journals, and films for the library, and seed money for the proposed Asian American Institute.

Yes, I want to contribute to the Fund for Asian American Studies. Enclosed is my check for
