Going to Acapulco?

The Acapulco Hilton has a swimming pool so big there's an island restaurant in the middle.

Henry von Ferstel, the manager of the Acapulco Hilton, is very proud of his pool. It has a restaurant and a bar on it, so you can live in a swimsuit if you like. But since the Acapulco Hilton is the center of Acapulco's night life, you may want to bring something more formal for the Tianguis Room... or the music-filled Jarana Bar. You'll also have a room with a terrace overlooking the tropical gardens, the beach and the bay... superb food and the time of your life. So dive in. Rates from \$9.00 a day, per person (double occupancy), through Dec. 15. For reservations, see your travel agent or call any Hilton hotel or Hilton Reservation Office.
